Commercial Mechanical Equipment

RBI – Condensing & Non-Condensing Gas-Fired Boilers, Low Ambient Air and Water Source Heat Pumps

Transom – Air and Water Source Heat Pumps, Compact Modular Chillers, and ERV Makeup Air Units

Hisense – Commercial VRF, ERV's, Chillers, Air-to-Water Heat Pumps, and Residential Mini-Split Systems

PLAD – Vertical Inline Pumps, Base Mounted End Suction Pumps, Condensate Pumps, and Hydronic Accessories

Franklin Electric – Vertical Multistage Pumps, Variable Frequency Drives with or without Bypass and Starters

Pro Hydronic – Automatic and Manual Balancing Valves, Coil Hookup Kits, Zone Valves, Stainless-Steel Hoses and Flex Connectors

Hexonic – Brazed, AHRI Certified Plate & Frame, and Shell & Coil Heat Exchangers

RECO USA – Shell & Tube Heat Exchangers, Clean Steam Generators, Buffer Tanks, Flash Tanks & Condensate Coolers

Islandaire – Vertical and Horizontal Water Source Heat Pumps, Low Ambient Air Source Heat Pumps and PTACs

Next Gen Boiler – Compact Self-Contained Next Generation Electric Boilers

Turbonics – Kickspace Heaters, Cabinet Unit Heaters, Steam & Hot Water Convectors, and Commercial Fin Tube

NeatHeat – Baseboard Replacement Covers and Accessories – Installs in a snap, no tools necessary

Fin Clamp Element – Hydronic Baseboard Heating Element, Replacement Fins or Add On to Eliminate Cold Spots

American Wheatley – ASME and Non-ASME Expansion Tanks, Air Separators, Flash Tanks and Condensate Coolers

Z-Flex – Stainless Steel and Polypropylene Venting, Residential and Commercial Sizes

JJM – Full Line of Condensate Neutralization Solutions

Commercial Plumbing Equipment

RBI – Condensing & Non-Condensing Gas-Fired Water Heaters, Storage Tanks, Electric Resistance Water Heaters, and Indirect Fired Tank Type Water Heaters

Transom – Low Ambient Air and Water Source Heat Pump Water Heaters, CO₂ Heat Pumps

Ergomax – High Recovery Indirect Water Heaters

RECO USA – Indirect Fired Instantaneous Water Heaters, Hot Water Generating Stations, Storage Tanks, and Double Wall Shell & Tube Heat Exchangers

HOMA – Wastewater submersible pumps, Water Level Control, and Wastewater accessories

AK Industries – Fiberglass basins, Steel & Aluminum Covers, Wastewater accessories

IDAC – NSF Rated ASHRAE 90.1 Compliant Pressure Boosters

PLAD – NSF Rated Custom Tank Fill Systems and Pressure Boosters

Franklin Electric – Vertical Multistage Pumps

AutoHot – On-Demand Recirculation Pumps and Controls - NSF Rated NYCECC Compliant

American Wheatley – ASME and Non-ASME Potable Water Expansion Tanks and Compression Tanks

Z Flex – Stainless Steel and Polypropylene Venting, Residential and Commercial Sizes

JJM – Full Line of Condensate Neutralization Solutions
